Videotapes on School Buses

The Board of Education has installed video cameras on school buses to monitor student behavior. The videotape on the bus should be recording every time students are on the buses.

If a student misbehaves on a bus and his/her actions are recorded on a videotape, the tape will be submitted to the principal and may be used as evidence of the misbehavior. Since these tapes are considered part of a student’s record, they can be viewed only in accordance with Federal law.

All programs within the Bentley Community School District are open to all persons regardless of race, color, religion, national origin, sex or handicap.
